

## **CAM Licensed Property Managers in Florida**

Allstate is pleased to continue offering our 2 CEU Seminar on Understanding Waterway Management, and 7 additional 1 CEU seminars that deal in more detail with specific waterway management issues. The following courses are available to you free of charge. Please circle the ones that interest you.

1. Erosion - Causes and Control Methods
2. Mitigation and Natural Habitats
3. Stormwater Systems - Components and Maintenance
4. Aquatic Plants for Lake Quality and "Florida Friendly" Landscapes
5. Lake Maintenance; Controlling Weeds, Algae and Aquatic Pests
6. Water Quality, Fountains and Aeration
7. Florida Fish and Fish Stocking

We make it easy for you to pick up your required CEU credits. Our seminars can be brought to your office and presented to groups of your managers at special events, or as part of your regularly scheduled management meetings. We also schedule several off site seminars open to all CAM Property Managers at convenient locations throughout the year.

If you would like to attend any of our CEU workshops, please complete this form and return it to us by mail, or email to; [rbutman@allstatemanagement.com](mailto:rbutman@allstatemanagement.com).
